

JOIN THE CHESTER COUNTY BACKYARD COMPOSTING PROGRAM

REDUCE WASTE...CREATE YOUR OWN VALUABLE SOIL
CONDITIONER...FREE!!
RIGHT IN YOUR OWN BACKYARD

Did you know that:

...leaves, grass and yard clippings can make up
nearly 42% of your household waste seasonally?

...State law prohibits leaves from being disposed
of in landfills?

...all leaves collected by municipalities must be
composted?

All County residents need to participate if Chester County is to meet Pennsylvania's 35% recycling goal. Yard waste is an ideal way for you to contribute to the effort.

To see how leaves are composted, visit one of Chester County's Compost Parks. To schedule a presentation on the art of composting presented by Master Composters, call the Chester County Solid Waste Authority at 610-273-3771, ext. 226.
