Other options:

- Check with your local bank – some banks will allow you to shred a few documents at a time.
- Check with your state legislators – check the state legislator website around tax time.
- Consider investing in a paper shredder.
- **If you already have shredded paper but you're not sure how to dispose of it:**
 - Shredded paper does NOT go in your curbside recycling bin.
 - You can dispose of shredded paper with your regular household trash.
 - You can always bring your shredded paper to Lanchester Landfill and Reclamation Center (LLARC) to be recycled in our mixed paper bin for free!
